Paragraph Reference	Revisions
1.2	Accounting Professional & Ethical Standards Board Limited (APESB) has revised professional standard APES 320 Quality Control for Firms (the Standard). Systems of quality control in compliance with this Standard were required to be established by Firms by 1 January 2010. This Standard supersedes APES 320 issued in <del>May 2009</del> December 2015 and Firms are required to incorporate appropriate amendments to their systems of quality control by 1 <del>April 2016</del> <u>January 2020</u> . Earlier adoption of this Standard is permitted.
1.6	<b>Members in Public Practice shall <del>be familiar</del> <u>comply with relevant other applicable Professional Standards and be familiar with relevant guidance notes when providing Professional Services. All Members shall comply with the fundamental principles outlined in the Code.</u></b>
1.11	A Firm's Personnel may be required to comply with additional standards and guidance regarding quality control procedures at the Engagement level. For example in respect of Assurance Engagements, Auditing Standard ASA 220 <i>Quality Control for an Audit of a Financial Report and Other Historical Financial Information</i> (or equivalent predecessor ASA), issued by the Auditing and Assurance Standards Board ( <u>AUASB</u> ) establishes standards and provides guidance on quality control procedures for audits at the Engagement level.
2	<u>Defined terms are shown in the body of the Standard in title case.</u>  For the purpose of this Standard:
2(e)	<b><i>Engagement Team</i><sup>1</sup></b> means all Partners and Staff performing the Engagement, and any individuals engaged by the Firm or a Network Firm who perform procedures on the Engagement. This excludes external experts engaged by the Firm or <u>by a</u> Network Firm.  <u>Footnote:</u>  1 The definition of Engagement Team in the Code <del>does not exclude</del> <u>has been amended from the International equivalent to remove the reference to</u> individuals within the Client's internal audit function who provide direct assistance on an <u>A</u> udit Engagement as the AUASB has prohibited the use of direct assistance in Auditing and Assurance Standard ASA 610 <i>Using the Work of Internal Auditors</i> (November 2013).
2(f)	<b><i>Firm</i></b> means:  (i) <del>a</del> A sole practitioner, partnership, corporation or other entity of professional accountants;  (ii) <del>a</del> An entity that controls such parties, through ownership, management or other means;  (iii) <del>a</del> An entity controlled by such parties, through ownership, management or other means; or  (iv) <del>a</del> An Auditor-General's office or department.

AUST 2.1(a)	<p><b>Assurance Engagement</b> means an Engagement in which a Member in Public Practice aims to obtain sufficient appropriate evidence in order to express a conclusion designed to enhance the degree of confidence of the intended users other than the responsible party about the subject matter information (that is, the outcome of the measurement or evaluation of an underlying subject matter against criteria).</p> <p>This includes an Engagement in accordance with the <i>Framework for Assurance Engagements</i> issued by the AUASB or in accordance with specific relevant standards, such as International Standards on Auditing, for Assurance Engagements.</p> <p><u>(For guidance on Assurance Engagements, see the Framework for Assurance Engagements issued by the AUASB. The Framework for Assurance Engagements describes the elements and objectives of an Assurance Engagement and identifies engagements to which Australian Auditing Standards (ASAs), Standards on Review Engagements (ASREs) and Standards on Assurance Engagements (ASAEs) apply.)</u></p>
AUST 2.1(d)	<p><b>Code</b> means APES 110 <i>Code of Ethics for Professional Accountants (including Independence Standards)</i>.</p>
AUST 2.1(e)	<p><b>Engagement</b> means an agreement, whether written or otherwise, between a Member in Public Practice and a Client relating to the provision of Professional Services by a Member in Public Practice. AUST 2.1(f)	<p><b>Engagement Partner</b> means the Partner or other person in the Firm who is responsible for the Engagement and its performance, and for the report that is issued on behalf of the Firm, and who, where required, has the appropriate authority from a professional, legal or regulatory body. AUST 2.1(g)	<p><b>Independence</b> <del>is</del> <u>comprises</u>:</p> <p>(i) Independence of mind – the state of mind that permits the expression of a conclusion without being affected by influences that compromise professional judgement, thereby allowing an individual to act with integrity, and exercise objectivity and professional scepticism.</p> <p>(ii) Independence in appearance – the avoidance of facts and circumstances that are so significant that a reasonable and informed third party would be likely to conclude, <del>weighing all the specific facts and circumstances,</del> that a Firm's, or a member of the <u>an</u> Engagement</p>

Depending upon the circumstances and the role of the individuals on the audit, "other audit Partners" <del>may</del> <u>might</u> include, for example, audit Partners responsible for significant subsidiaries or divisions.
AUST 2.1(j)	<b>Member in Public Practice</b> means a Member, irrespective of functional classification ( <del>e.g. for example,</del> audit, tax, or consulting) in a Firm that provides Professional Services. This term is also used to refer to a Firm of Members in Public Practice and means a practice entity and a participant in that practice entity as defined by the applicable Professional Body.
AUST 2.1(k)	<b>Professional Activity</b> means an activity requiring accountancy or related skills undertaken by a Member, including accounting, auditing, taxation, <del>and</del> management consulting, and financial management.
21	Part <del>B</del> 3 <i>Members in Public Practice and Independence Standards (Parts 4A and 4B)</i> of the Code illustrates how the conceptual framework is to be applied in specific situations. It provides examples of <del>safeguards that may be appropriate to</del> <u>how to evaluate and</u> address threats to compliance with the fundamental principles <del>and also provides</del> <u>including</u> examples of situations where safeguards are not available to address the threats.
23	In complying with the requirements in paragraphs 19, 24–26, 29 and 31, the definitions of "Firm", "Network" and "Network Firms" used in the Relevant Ethical Requirements apply in so far as is necessary to interpret those ethical requirements.
24	<p><b>A Firm shall establish policies and procedures designed to provide it with Reasonable Assurance that the Firm, its Personnel and, where applicable, others subject to Independence requirements (including Network Firm's Personnel) maintain Independence where required by Relevant Ethical Requirements. Such policies and procedures shall enable the Firm to:</b></p> <p><b>(a) <del>C</del>ommunicate its Independence requirements to its Personnel and, where applicable, others subject to them; and</b></p> <p><b>(b) <del>I</del>dentify and evaluate circumstances and relationships that create threats to Independence, and to take appropriate action to eliminate those threats or reduce them to an acceptable level <u>by eliminating the circumstances creating the threats, applying safeguards (if available), or, if considered appropriate, to withdraw from the Engagement, (where withdrawal is possible under applicable law or regulation).</u></b></p>
AUST 27	Guidance on threats to Independence <del>and safeguards</del> , including application to specific situations, is set out in the Code. The Code also requires threats to Independence that are not clearly insignificant to be documented and include a description of the threats identified and the <del>safeguards approach</del> <u>safeguards approach</u> applied to eliminate or reduce the threats to an acceptable level.

Paragraph Reference	Revisions
AUST 28	A Firm receiving notice of a breach of Independence policies and procedures should promptly communicate relevant information to Engagement Partners, others in the Firm as appropriate and, where applicable, experts contracted by the Firm and Network Firm Personnel, for appropriate action. Appropriate action by the Firm and the relevant Engagement Partner should include <del>applying</del> <u>undertaking</u> appropriate <del>safeguards actions</del> to eliminate the threats to Independence, <del>or to reduce them</del> <u>threats</u> to an acceptable level, <u>by applying safeguards</u> or withdrawing from the Engagement
31	<p><b>A Firm shall establish policies and procedures:</b></p> <p>(a) <del>S</del><u>etting out criteria for determining the need for safeguards to reduce</u> <del>reducing</del> the familiarity threat to an acceptable level <u>(including the application of safeguards if available)</u> when using the same senior Personnel on an Assurance Engagement over a long period of time; and</p> <p>(b) <del>R</del><u>equiring, for audits of financial statements of Listed Entities, the rotation of the Engagement Partner and the individuals responsible for Engagement Quality Control Review, and where applicable, others subject to rotation requirements, after a specified period in compliance with Relevant Ethical Requirements.</u></p>
36	Listed Entities <sub>1</sub> as referred to in paragraphs 31 and 34 <sub>1</sub> are not common in the public sector. However, there may be other public sector entities that are significant due to size, complexity or public interest aspects, and which consequently have a wide range of stakeholders. Therefore, there may be instances when a Firm determines, based on its quality control policies and procedures, that a public sector entity is significant for the purposes of expanded quality control procedures.
