 <i>Appendix 1: Summary of revisions to the previous APES 305 (Issued in October 2015)</i>	

1. Scope and application

- 1.1 The objectives of APES 305 *Terms of Engagement* are to specify a **Member in Public Practice's** professional and ethical obligations in respect of:
- documentation and communication of the **Terms of Engagement** to a **Client**;
 - matters to be included in an **Engagement Document**;
 - circumstances in which an **Engagement Document** should be reissued in respect of a recurring **Engagement**; and
 - limitation of liability schemes.
- 1.2 Accounting Professional & Ethical Standards Board Limited (APESB) has revised professional standard APES 305 *Terms of Engagement* (**the Standard**), which is effective for **Engagements** commencing on or after 1 January 2020 and supersedes APES 305 *Terms of Engagement* issued in October 2015. Earlier adoption of this Standard is permitted.
- 1.3 APES 305 sets the standards in respect of **Terms of Engagement** for **Members in Public Practice** in the provision of quality and ethical **Professional Services** to **Clients**. The mandatory requirements of this Standard are in **bold-type**, preceded or followed by discussion or explanations in normal type. APES 305 should be read in conjunction with other professional duties of **Members**, and any legal obligations that may apply. In some instances there are specific standards applicable to **Members in Public Practice** issued by other standard setting bodies or specific requirements of statutes in respect of **Terms of Engagement**, for example ASA 210 *Agreeing the Terms of Audit Engagements* issued by the Auditing and Assurance Standards Board which governs audit **Engagements**. Compliance with these other standards or statutes should result in compliance with APES 305.
- 1.4 **Members in Public Practice** in Australia shall follow the mandatory requirements of APES 305 when they provide **Professional Services** to **Clients**.
- 1.5 **Members in Public Practice** practising outside of Australia shall follow the provisions of APES 305 to the extent to which they are not prevented from so doing by specific requirements of local laws and/or regulations.
- 1.6 **Members in Public Practice** shall comply with other applicable **Professional Standards** and be familiar with relevant guidance notes when providing **Professional Services**. All **Members** shall comply with the fundamental principles outlined in the **Code**.
- 1.7 The Standard is not intended to detract from any responsibilities which may be imposed by law or regulation.
- 1.8 All references to **Professional Standards**, guidance notes and legislation are references to those provisions as amended from time to time.
- 1.9 In applying the requirements outlined in APES 305, **Members in Public Practice** should be guided not merely by the words but also by the spirit of this Standard and the **Code**.
- 1.10 In this Standard, unless otherwise specified, words in the singular include the plural and vice versa, words of one gender include another gender, and words referring to persons include corporations or organisations, whether incorporated or not.

2. Definitions

Defined terms are shown in the body of the Standard in title case.

For the purpose of this Standard:

Client means an individual, firm, entity or organisation to whom or to which **Professional Activities** are provided by a **Member in Public Practice** in respect of **Engagements** of either a recurring or demand nature.

Code means APES 110 *Code of Ethics for Professional Accountants (including Independence Standards)*.

Engagement means an agreement, whether written or otherwise, between a **Member in Public Practice** and a **Client** relating to the provision of **Professional Services** by a **Member in Public Practice**. However, consultations with a prospective **Client** prior to such agreement are not part of an Engagement.

Engagement Document means the document (i.e. letter, agreement or any other appropriate means) in which the **Terms of Engagement** are specified in **Writing**.

Firm means:

- (a) A sole practitioner, partnership, corporation or other entity of professional accountants;
- (b) An entity that controls such parties, through ownership, management or other means;
- (c) An entity controlled by such parties, through ownership, management or other means;
or
- (d) An Auditor-General's office or department.

Member means a member of a **Professional Body** that has adopted this Standard as applicable to their membership, as defined by that **Professional Body**.

Member in Public Practice means a **Member**, irrespective of functional classification (for example, audit, tax or consulting) in a **Firm** that provides **Professional Services**. This term is also used to refer to a **Firm** of Members in Public Practice and means a practice entity and a participant in that practice entity as defined by the applicable **Professional Body**.

Professional Activity means an activity requiring accountancy or related skills undertaken by a **Member**, including accounting, auditing, tax, management consulting, and financial management.

Professional Bodies means Chartered Accountants Australia and New Zealand, CPA Australia and the Institute of Public Accountants.

Professional Services means **Professional Activities** performed for **Clients**.

Professional Standards means all standards issued by Accounting Professional & Ethical Standards Board Limited and all professional and ethical requirements of the applicable **Professional Body**.

Terms of Engagement means the terms and conditions that are agreed between the **Client** and the **Member in Public Practice** for the **Engagement**.

Writing means a mode of representing or reproducing words in a visible form and includes words in an electronic format capable of being converted to printed text.

3. Terms of Engagement for Professional Services

3.1 A **Member in Public Practice** shall document and communicate to the **Client** the **Terms of Engagement**.

3.2 The practice of documenting and communicating the **Terms of Engagement** should ensure that there is a clear understanding between the **Client** and the **Member in Public Practice** regarding the **Terms of Engagement**.

3.3 It is in the interests of both the **Client** and **Member in Public Practice** that the **Member** documents and communicates the **Terms of Engagement**, preferably before the **Engagement** commences, to avoid misunderstandings with respect to the **Engagement**.

3.4 A **Member in Public Practice** shall document the **Terms of Engagement** in the **Engagement Document**.

3.5 The **Engagement Document** need not be in the form of a letter or agreement. For example, a standard format handout, brochure, leaflet or electronic communication is also acceptable.

3.6 The objectives and scope of some **Engagements** are established by law. Documentation of the **Terms of Engagement** cannot reduce obligations imposed by law. Where the **Engagement** is undertaken under statute, a **Member in Public Practice** should refer to the applicable provisions of the law in the **Engagement Document**.

4. General contents of an Engagement Document

4.1 The following is a guide to matters that should, for most **Engagements**, be considered for inclusion in an **Engagement Document**. **Engagement Documents** will vary according to the nature of the **Engagement** and the terms of appointment of the **Member in Public Practice**. The matters referred to below in paragraphs 4.2 to 4.10 should therefore be varied to meet the individual requirements and circumstances of each **Engagement**.

4.2 *Purpose:* The **Engagement Document** should explain that its purpose is to set out and confirm the understanding of the **Member in Public Practice** of the **Terms of Engagement**.

4.3 *Objectives of the Engagement:* A brief summary of the objectives of the **Engagement** including reference to the fact that:

- (a) procedures to be performed will be limited exclusively to those related to the **Engagement**;
- (b) neither an audit nor a review will be conducted and, accordingly, no assurance will be expressed (if applicable); and
- (c) unless otherwise agreed, the **Engagement** cannot be relied upon to disclose irregularities, including fraud, other illegal acts and errors that may occur.

4.4 *Scope of the Engagement:* Pertinent details of such matters as:

- (a) time periods covered by the **Engagement**;
- (b) period of appointment and time schedules;
- (c) references to any legislation, regulations, **Professional Standards**, accounting or auditing and assurance standards that may be relevant to the **Engagement**;

- (d) any limitations on the conduct of the **Engagement** including scope limitations and limitations arising from legal or professional and ethical requirements;
- (e) **Client** operations or procedures to be included in the **Engagement**; and
- (f) details of information to be provided by the **Client**.

The **Member in Public Practice** should consider the implications of a recurring **Engagement** when documenting the details noted above.

- 4.5 **Engagement output:** Details of reports or other anticipated outputs, including:
- (a) expected timing;
 - (b) the intended use and distribution of reports; and
 - (c) the nature of any anticipated disclaimer or arrangement that limits the liability of the **Member in Public Practice** (for example, appropriate limitation of liability clauses for **Members in Public Practice** participating in Professional Standards Legislation schemes) with respect to the **Client** or any other user of the results of the **Engagement**.
- 4.6 **Relative responsibilities:** Responsibilities agreed upon, detailing those acknowledged to be the responsibility of:
- (a) the **Member in Public Practice**, including reference to relevant confidentiality requirements and the impact of them on the quality review program of the relevant **Professional Body** to which the **Member in Public Practice** belongs, and the **Member's** obligations on responding to actual or suspected non-compliance with laws and regulations (NOCLAR);
 - (b) the **Client**, noting the fact that the **Client** is responsible for the completeness and accuracy of information supplied to the **Member in Public Practice**; and
 - (c) any third party.
- 4.7 **Involvement of other Members in Public Practice:** Where the work of another **Member in Public Practice** is to be used on some aspects of the **Engagement**, the details of this involvement should be documented in the **Engagement Document**.
- 4.8 **Fees and billing arrangements:** Reference to the basis and calculation of fees (for example, time based billing, fixed price contracts, referral fees and commissions, contingent fee arrangements or other similar agreement). Details of agreed upon billing schedules should also be included.
- 4.9 **Ownership of documents:** The **Engagement Document** should make clear who owns any documents produced as a result of the **Engagement** or provided by the **Client** for such a purpose including electronic data. If a **Member in Public Practice** has a policy of seeking to exercise a right of lien over such documents in the event of a dispute with the **Client**, this policy should be disclosed in the **Engagement Document** communicated to the **Client**, including the process for dealing with disputes over the lien.
- 4.10 **Confirmation by the Client:** Request for a response from the **Client** confirming its understanding of the **Terms of Engagement** as outlined in the **Engagement Document**. It is preferable for this confirmation of **Client** acceptance of the **Terms of Engagement** to be obtained in **Writing**.

5. Recurring Engagements

5.1 In certain circumstances a **Member in Public Practice** will have to determine whether an **Engagement** is a recurring **Engagement**. A recurring **Engagement** generally exhibits the following features:

- unchanged **Terms of Engagement** under which the **Professional Services** are provided;
- the same or similar **Professional Service** provided by the **Member** in each period;
- defined or identifiable commencement and completion dates each time the **Engagement** is performed; and
- performance of the **Engagement** is on a regular periodic basis as agreed with the **Client**, for example annually.

5.2 When determining the need to reissue or amend an **Engagement Document** for a recurring **Engagement**, a **Member in Public Practice** should consider the following factors:

- (a) any indication that the **Client** misunderstands the objectives and scope of the **Engagement**;
- (b) any significant changes in the **Engagement**;
- (c) any significant changes in the **Professional Services** to be provided or the **Terms of Engagement**;
- (d) a recent change of **Client** management or ownership;
- (e) a significant change in the nature or size of the **Client's** business;
- (f) any significant changes to **Professional Standards** or applicable accounting or auditing and assurance standards; and
- (g) any changes to legal or regulatory requirements.

6. Professional Standards Schemes

6.1 **A Member in Public Practice** who is participating in a **Professional Standards Scheme** that limits liability shall comply with the relevant **Professional Standards Legislation** and applicable regulations of the **Professional Body**.

6.2 **A Member in Public Practice** who is a participant in a scheme under **Professional Standards Legislation** shall disclose to the **Client** that the **Member's** liability may be limited under the scheme in accordance with the disclosure requirements in applicable laws and/or regulations.
