

AGENDA PAPER

Item Number: 9.1
Date of Meeting: 9th February 2009
Subject: Review of Technical Work Program

Action Required

For Information Only

Purpose

To present to the Board the technical outcomes achieved during the 2007-08 Technical Work Program and to present the proposed 2009-10 Technical Work Program.

Background

The 2007-08 Technical Work Program was initially presented at the February 2007 Board meeting. During the last two years, subsequent to each Board meeting the Technical Work Program was updated on a quarterly basis and is available on the APESB website.

Consideration of Issues

A summary of technical outcomes achieved during 2007-08 are given below:

- Exposure Drafts – 13
- Professional Standards – 12
- Basis for Conclusions - 10
- Standards withdrawn - 2
- Six monthly reviews – 3
- Annual reviews – 6
- Consultation paper – 1
- Discussion paper - 1
- IESBA/IAASB submissions - 5

The proposed 2009 – 10 Technical Work Program is enclosed for the Board's consideration.

Staff Recommendation

The Board review and approve the 2009 -10 Technical Work Program.

Material Presented

- 2007-08 Completed Technical Work Program
- 2009-10 Proposed Technical Work Program
- Board presentation
