

## AGENDA PAPER

**Item Number:** 12.1

**Date of Meeting:** 31 January 2011

**Subject:** Review of 2009-2010 Work Program and proposed 2011-2012 Work Program

**Action Required**

**For Information Only**

### Purpose

To present to the Board the technical outcomes achieved during the 2009-10 Technical Work Program and to present the proposed 2011-12 Technical Work Program.

### Background

The 2009-10 Technical Work Program was initially presented at the February 2009 Board meeting. During the last two years, subsequent to each Board meeting the Technical Work Program was updated on a quarterly basis and has been available on the APESB website.

### Consideration of Issues

A summary of technical outcomes achieved during 2009-10 are given below:

- Exposure Drafts – 6
- Professional Standards – 6
- Basis for Conclusions - 6
- Six monthly reviews – 10
- Annual reviews – 13
- Consultation Paper – 1
- Submissions to government, national and international bodies- 10

The proposed 2011 – 12 Technical Work Program is enclosed for the Board's consideration.

### Recommendation

The Board review and approve the 2011 -12 Technical Work Program.

**Materials Presented**

- 2009-10 Completed Technical Work Program
- 2011-12 Proposed Technical Work Program
- Board presentation
